Richard Muzikar

Enterprise Risk Management Advisor | [Long Island Power Authority](#)

Mr. Muzikar is responsible for developing and implementing LIPA's Enterprise Risk Management Program in conjunction with Public Service Enterprise Group (PSEG) Long Island. Previously, Mr. Muzikar served as Director of Enterprise Risk Management for the Consolidated Edison Company (Con Edison) in New York City where he spent 40 years of his career. At Con Edison, Mr. Muzikar developed and implemented the company's Enterprise Risk Management Program while serving on the ERM Advisory Boards of North Carolina State and St. John's Universities.

Mr. Muzikar began his career as a Staff Accountant in the Corporate Accounting Department and held positions of increasing responsibility, including Manager of Accounting Research, Division Controller, General Manager – Customer Service, General Manager – Administration, Assistant Controller, and Director of Internal Controls. He holds a Bachelor of Science degree in Economics from Saint Peters College and a Master of Business Administration degree in Accounting from New York University. He also attended an Executive training Program at Dartmouth University. He is a Certified Management Accountant and taught accounting part-time at Rutgers University and the Graduate School of Business at Pace University.
